# OUR PRODUCTS

We have access to all the major brands of desktop computers, laptops, notebooks, tablets, Networking Products, CCTV Systems, LCDs and LEDs, Multi-Media Projectors, Time & Attendance Machines, Access Control Systems and Metal Detectors, etc. Our goal is to find you the latest models that will suit your needs based upon your requirements for use and style/look. We also carry all the other accessories associated with computer technology including: monitors, external hard drives, printers and multi-functions, WIFI routers, UPS battery back-ups, speakers and other peripherals.

**Custom Desktop & Server Systems:** We also design and build high-quality custom computer configurations exclusively for use in-house and for on-site technical support clients. By knowing exactly what we put into a computer system, we know exactly what we can get out of it. This ensures our clients receive machines with highly compatible hardware that passes our rigorous burn-in tests.

**Laptops:** We are proud to sell the highest grade new / refurbished laptops. We make your purchase easy by allowing you to select by processor, by brand or by price. We stock the very latest laptops from Sony, Dell, HP, Compaq, Toshiba, Gateway, IBM and more.

**Mobiles:** We also deal in all famous brands of Mobiles and Smart Phones, including Apple, Samsung, Sony Xperia, BlackBerry, HTC, Nokia, Huawei, LG, QMobile, Motorola, Lenovo, Sony Ericsson and Voice.

**Tablet:** We also deal in all famous brands of Tablets, including Samsung, Dell, Amazon, Microsoft, Dany, Q Tab, HP, Asus, Acer, Sony, Lenovo, HT and Huawei.

**Accessories:** We deal in complete range of accessories of all famous brands of laptops and desktops, including Batteries, Hard Drives, Adapters, GPRS, Optical Drives, PCMCIA, LCDs, RAMs, Universal Chargers, Sleeves & Skins, Screen Protectors, Keyboards, Power Supplies, Graphics Cards, Power Supplies, UPS, Printers, etc.
